## Synopsis

Wish to own a unique pet, which is overloaded in cuteness and needs pure motherly care? Do you know how to prepare yourself? Here is the best professional guide to help you out. Potbellied pigs are very intelligent animals. Owning a potbellied pig is a huge responsibility; you must feed it, bath it, love it, care for it, travel with it, take it for regular check ups and you must make sure that the potbellied pig is happy in every possible way it can be. Pot bellied pigs are social, fun to play with and trainable. They adapt very well to children, other pets and to the environment. This guide covers every aspect of the pot bellied pig and it is the only book you will need to make your pot belly pig happy and to make you a happy pig owner. I hope you will have as much fun with your piggies as I have with mine. Good luck! Covered in this book: - History - Different breeds - Adoption - Taking piggie home - Health care - Habitat - Training - Costs - Activities - Extraordinary senses - Pros and Cons - Tips and Tricks ... and much more

## Customer Reviews

This book was recommended to me - which i find odd, because it is a very strange book. The writing was off - like maybe english wasn't the first language of the author but given his name and location i would assume it is! The information seemed very obvious and repetitive...not well written. There is some basic knowledge in here that is valuable but you could get that same information by just doing internet searches.

Perfect starter book.

Lots of good info, still things they could have added.

Very helpful information for first time pot belly pig owners

I loved this book. It gave me a lot of good information. It was also an easy read. Good format.

Not very informative

Awesome product

Not a complete owners guide. Very basic beginners info.
