Customer Reviews

I brought this for my 3rd grade son it is great for him. It has grown with his vocabulary. He is now in 4th grade and still uses it.

Thought it will be child friendly with photos and in a sequence that makes it easy to learn lots of

words quickly. Well, this was not that type of a book.

pleasantly surprised quality is good. I don't know what the words to evaluate the product, everything is so perfect. Just worth every penny, buy it! You highly recommended Fast delivery! I placed another order this morning, I hope it could be as well as the former one.
