Customer Reviews

If you are serious about getting off of the main roads these maps are a good tool.

just what I wanted. It shows topo maps of the state. I have a few from other states as well.

The map is exactly as described and exactly as I wanted

good

We now have four Delorme Atlas and Gazetteers. Love them all! The oldest one is starting to show wear at the corners, but what do you expect after five years of constant use!

always like these guys maps GPS is nice at the moment but not so good for planning. These maps are good for planning

The DeLorme map's are so useful for taking side trips and showing closer up views of hi-ways and smaller roads. I am a big fan of the whole series.

as advertised. timely delivery.
