That Love Your Neighbor Thing

Synopsis

“You don’t believe in love?” she asked. He swallowed hard. How exactly had he ended up here, in the pool with the neighbor girl, talking about love? And why when she looked at him like that did he feel funny? “I do,” he said.

“I’m glad they worked it out.” Because you’re here. The words formed on his tongue, but he didn’t say them.-----Remington Saddler is hanging around with the wrong kids in the neighborhood. His parents argue all the time, and he feels ignored. So what’s a little harmless fun if it takes his mind off his problems? Then he’s caught in the act of vandalizing the neighbor’s lawn, and, forced to clean up the mess, he runs into the owner’s daughter. Literally. Shylar Raymond aggravates him at first. Plus, she has funny ideas about being kind to others. Yet, the more he hangs around her, the more he learns she’s right, and maybe just maybe he has the best neighbor of all. A sweet middle-grade YA from best-selling author, SUZANNE D. WILLIAMS. Heroes girls can dream of and parents can trust.

So many headliners come to mind after reading this short but powerful book by Suzanne. Do we pay attention to what others are thinking ? We forget about others. Giving people a wider angle, when viewing them. Giving people a chance. 5 boys, 16 years old, midnight, sneaking out, sounds like trouble. We meet Remington, who gets caught, papering a neighbors house. Carlton, owner and neighbor, big guy, and always yelling. The beginning of lessons one can learn from this story. Would you rat out your friends ? Or realize, since they didn't come forward, doesn't speak well for them. With them it means trouble. Doing clean up on house, willing, since you were partial to blame, or angry ? Skylark, daughter of Carlton, trying to learn from pastors sermon, to love thy neighbor. The questions of how, Remington hurt her, calling her names, maybe if she ignored him. Befriending him, takes both of them to start on road to adulthood. Putting to use of loving their neighbors, trying to see beyond that first glance. To using lessons one has learned to help others. Like Carlton was doing with Frank, Remington's dad. They both had a lot to learn, to see the whole picture, as a family. Though this was for middle grade, pre teens, a lot was packed into this story. For young and old to read and remember to LOVE THYNEIGHBOR, the rewards of friendship, will be great. For Remington and Shylar, the beginning of young love, and maybe a lasting love.

I really enjoyed reading this sweet and inspiring Christian clean reads ebook and it was very clearly sharing how one can do the Love thy neighbor. I recommend this ebook for older teenagers and up who enjoys such a swell ebook as this, because of all these comments I have made here I feel it needs a five star rating.
