Customer Reviews

Wallpaper* City Guides are compiled by the magazine's travel experts, both by in-house editors, and correspondents who actually live in the highlighted cities, providing up-to-the-minute information.

Great guide for design centric tourists

The city has been changing at breakneck speed and so this guide from 2014 is already outdated. It didn't quite help us with exploring the City with all its new neighbourhoods and areas of interest.

Awesome little book! Focused recommendations for what to see and do.
