Penny (Orlan Orphans Book 6)

Synopsis

Penny Sanders is happy with her life in Nowhere, Texas. She's been adopted by a wonderful elderly couple who are determined to be good parents for her and her sisters, and she has a good job doing what she loves best. When a handsome stranger wanders into the mercantile where she works, she is immediately attracted to him, but she's unsure if she can trust him beyond a business relationship. While his eyes make her heart beat faster, she is cautious, not wanting to ruin the good life she has. Tom McClain is a man who believes very strongly in fate. The youngest of seven brothers, he has always known where he was going, if not when he'd arrive there. When he sees Penny sitting at her work table, he knows she's the woman who will complete him, and he immediately sets to the task of convincing her. Will he be able to make her understand that they're meant to be together? Or will her overwhelming family get the better of him?

So worth the wait!! Don't miss this one in the series of the "girls" of Edna Petunia. It's a funny, tender love romance of Penny and Tom. Kristen takes you on a journey that you won't soon forget!

You will probably want to read the rest of the stories about the adopted daughter of silly, funny, out spoken Edna. :) Makes your heart light and fill with joy and love. Thank you Kristen for always giving your readers such great books! I loved it really hard to put down, but one does have to get some sleep. lol

I highly recommend you start this series and enjoy a wonderful adventure. If you enjoy eccentric old women, peppermint sticks, lovable orphans and sexy cowboys you will love this book and this series. Happy

Reading

This is, penny's story one of the orphans that Edna Petunia took in when penny was a child . Follow this story as it comes full circle as Edna Petunia plans the wedding for her bastard children. If you're new to Edna Petunia I suggest you start at the beginning to understand why she calls all her new family her eastwards. Hint she loves little bastards when no one else does.

I have enjoyed every minute that I have been reading Kirsten Osbourne. Edna Petunia and her peppermint sticks are always amusing. I am glad one of the eastwards let her plan the wedding.

This was a bit of a surprise ending but a great surprise! Kirsten has a knack for keeping things fresh & this is the best yet. Keep up the good work.

Another Orlando orphan that gets a happy ending. Kirsten Osbourne tells another great story.

Love this book. A great new chapter in the Orphans saga but can totally be read alone...

Penny is a respectable woman that wants to do everything to please her parents. But yet knows that she will try to get her man also. Love love this series.
