Good Night Philadelphia (Good Night Our World)

Synopsis

Good Night Philadelphia features the Liberty Bell, Museum of Art, The Thinker statue, Philadelphia Zoo, William Penn Statue, Reading Terminal, Betsey Ross House, National Constitution Center, United States Mint, Fairmont Park, Academy of Natural Sciences, and more. Welcome to the city of Brotherly Love! This charming board book captures the true spirit of this historic city. Young readers will be overjoyed when visiting their favorite sights and attractions. Cheesesteaks included! This book is part of the bestselling Good Night Our World series, which includes hundreds of titles exploring iconic locations and exciting, child-friendly themes. Many of North America's most beloved regions are artfully celebrated in these board books designed to soothe children before bedtime while instilling an early appreciation for North America's natural and cultural wonders. Each book stars a multicultural group of people visiting the featured area's attractions as rhythmic language guides children through the passage of both a single day and the four seasons while saluting the iconic aspects of each place.

Very cute and easy to read bedtime book. I bought this for my daughter who will be arriving this fall. I love the variety of the different places and things they highlight within the story.

City of Brotherly Love! My hometown!

Not thrilled with this book. I noticed that other cities have a better flow to the read than this did.

We live outside of Philadelphia and I bought this board book for my little Granddaughter. The contents of the book depicts the City of brotherly Love well., using illustrations to point out important landmarks that make up this fabulous city. We have several of these "Good Night" books as we travel alot through the US and when we visit an area we pick up the books to show the kids where we have been and what we saw.

Given as a gift to my goddaughter, age 6, who was born in Philly but lives in L.A. She loves it! She is obsessed with reading and this book gets her excited since she has been to almost all the places. Sturdy, holding up to being dragged around.

Really cute & covers a lot of fun history, sites, & culture. Not as bright or colorful as the Oregon one. But a great addition to the collection of cities/states that are special to our family.

i gave this book as part of a shower gift. It covers many of the local sites in philadelphia and i think is a fine tribute to the original book, but gives children (and parents) destinations to visit, which the child will already be familiar with from reading this book.

Great book! Love that it includes famous and historical places around the city. Board book for infants but can be revisited in elementary school for history.
