These flash cards really helped me understand the lsat questions

The item came in a great amount of time, was perfectly packaged, and the flashcards were a great tool for me to use during days my work schedule was busier than normal. Highly recommended!

Very basic, only after reading the first 20 flash cards did I realize the way these cards were going to

help prepare you for the LSAT. I think Kindle version could be better, I am not sure how the actual flashcards compare with the program

Cards were in great condition no complaints!

Exactly what I wanted.

Come as advertised.

Great Product well worth the price it gives you a comprehensive look at the foundation of the LSAT.

Helpful!
