## Customer Reviews

Great Book, loved to play some of the songs.(Stardust)

Purchased as Christmas gift. My Mom-in-law, 83, plays a keyboard and oddly enough did not have sheet music for her all-time favorite: Nat King Cole. She absolutely loved it! She knows words and melodies of every song and she is learning the keyboard version everyday and said she will give us a concert soon. It also arrived 2 days earlier than anticipated, even though I did not pay for quick shipping.

Poor Nat.. gets no respect...sub par printing..dumb guitar chord blocks(which should be removed)Please publishers give Nat the artist respect he deserves, take a cue from Frank Sinatra's fake bookfresh new plates, clear printing and spiral bound too!

Nat "King" Cole was a great performer. loved his music. it came from the heart. The best ever. It brings back good memories. not like the crappy music sung today. and he was dressed presentable

while he performed. Bless his memory!

Excellent arrangements. Just what I was looking for. Now I just have to get my chops up to be able to play them.

Nat King Cole's Singing, Playing and Style is Timeless like the Songs in this Book!

the vhs tape came in shape, it play well. thank's this part history i will keep for all time . thank's

Excellent for my friend learning piano.
