# Raking Light From Ashes

## Synopsis

Find light in the darkest hour  
Lala, a young Jewish girl, loses her entire family during the dark days of the Holocaust in the Warsaw Ghetto. Thanks to the kindness of a Polish family, Lala manages to survive the war, taking on an assumed identity. By a twist of good fortune and unbelievable coincidence, she is found after the war and eventually immigrates to Israel in 1950 to live with her Israeli relatives. A child's struggle to comprehend a world gone mad  
Rella Robinson's true story of survival offers a fascinating panoramic human drama that extends from the dark days of the Second World War to the independent State of Israel. A gripping and inspiringly optimistic narrative based on real life experiences, you'll enjoy every page of this fascinating journey of hope. Get your copy of Raking Light from Ashes Now!

## Customer Reviews

What an amazing story and heart wrenching account of this little girl who experienced so much pain at such a young age. The book was well written and helped the reader truly feel like they were

looking first hand into the authors life.

This was a touching book on a young girl's survival of the Holocaust. I simply couldn't put it down. The only reason I gave this book a four instead of a five was the need for more editing.

A new angle of the Holocaust that I haven't heard much about until now, the changing of identities. Some of the book seemed a bit stilted and repetitive, but the story needed to be told. I'm so glad that Telling was able to have the support she did from blood and adoptive family.

It's always hard for me to read about any Holocaust survivor story but it must not be forgotten. It is extremely important for all their stories to live on. The author is a very strong individual and I am glad her story could be read.

This is so well written it takes the reader into being an intimate member of her life. This also allows reader to share in knowledge of the depths of other family and friends lives who struggled to help others.

A moving and inspirational story about a young girl's survival from the Holocaust in Poland and her life after being relocated to the newly formed country of Israel. I recommend this story to all.

Inspiring story of triumph, love, and determination. This story spans the life of a 4 year old who was entrusted to non Jewish friends in order to save her life. The anguish and faith if her parents can not be ignored. I highly recommend this book

Well-written and informative. Quite an interesting story, although I find it a little difficult that she was able to remember conversations and stuff from that far back.
