# 100 Things Game Of Thrones Fans Should Know & Do Before They Die (100 Things...Fans Should Know)

## Synopsis

Every Game of Thrones fan remembers where they were for Ned Stark's untimely demise, can hum the tune of "The Rains of Castamere," and can't wait to find out Daenerys Targaryen's next move. But do you know the real inspiration for the Red Wedding? Or how to book a trip to visit Winterfell? 100 Things Game of Thrones Fans Should Know & Do Before They Die is the ultimate resource for true fans. Whether you've read all of George R.R. Martin's original novels or just recently devoured every season of the hit show, these are the 100 things all Game of Thrones fans need to know and do in their lifetime. Pop culture critic Rowan Kaiser has collected every essential piece of Game of Thrones knowledge and trivia, as well as must-do activities, and ranks them all from 1 to 100, providing an entertaining and easy-to-follow checklist as you progress on your way to fan superstardom!

## Customer Reviews

This is a great encyclopedia of Game of Thrones knowledge. It combines info from the show and

book s to complete a vivid picture of the world. The book covers up to season 6 as well as the majority of major players in the game of thrones. Also included are info about video games, wine and other GOT related goodies. When read cover to cover, the book becomes redundant covering seasons, characters and places and repeating information over and over. But this is good as this is to be used as a sort of reference tool. Want to know what happened in Season 3? Want to know all about the Eyrie? Each topic has an all inclusive chapter that makes this book great for when you can't remember who Catelyn Stark was first engaged to. A great reference for Game of Thrones fans, I would suggest this to anyone who's confused about what's going on. (Can't we just admit that's all of us at some point? lol)

Overall, a nice way to get familiar in the Game of Thrones world. As a fan of the show, I enjoyed the history the author provided. A saga as dense as Game of Thrones cannot be captured entirely. Some things you learn as the story progresses, some you learn by reading the original books, and some, by reading the books just as this one. The chapters dealing with the main characters, their motivation, alliances, conflicts were well written. The book is of course filled with spoilers, so read it at your own peril. The only 2 chapters I could have edited out were about the shows producers/writers/directors. Sorry, I know the people behind the scenes are more often more important, but I mainly skipped the parts about them (they are short, which is a plus).

HE'S DONE IT AGAIN

Good book!
