Customer Reviews

The Extreme Teen Bible dares teens to crack open its pages and live up to the cutting-edge standard found inside. This New King James translation (thoroughly explained in teen-friendly language) is clad in funky purple print and snowboard-type logos, appealing to the thrill seeker by promising a life of "no fears, no regrets, just a future with a promise." Generous introductions, full-page profiles of faith-filled biblical characters, and a quick reference index covering subjects from abortion to worship guide the young reader into a more "extreme" relationship with God. "What's It Mean?" sidebars appear on almost every page, answering tough questions, pointing out God's promises, and directing teens into the will of God for their lives. By portraying Christ as the "truest revolutionary of all time," the Bible becomes a survival guide to the world that teens live in. The editors assert that "It's all here--truth, inspiration, bottom-line actual reality." The only questions left is, "Are you up for the challenge?" --Jill Heatherly

I've had this bible since I was about 12. It was my sisters Bible and I kept it for a pretty long time.

Had to buy another one because I lost it. I LOVE the explanation that comes along with scripture. Many things in here talk about what the scripture meant to the people back in that day. The customs and traditions are very important.

I had this Bible for the past few years and just recently gave it away. I am ordering another copy for myself. Although I am 54 years old and have been a Christian for many years, this is the Bible for me. It comes highly recommended for any age.

Great service very pleased.

I LOVE this bible!!! This bible gives you explanations and also gives examples that you can relate to your everyday life. I recommend this bible for all ages; not just teens! I will be purchasing this bible for my daughters' birthday this year!!!

Excellent reading. Love the way the verses are broken down for clear understanding of God's word. And love the examples or stories given to go along with verses also.

I had this Bible as a teenager, I am now close to 30. I love it, its easy to understand and even has side notes in case you get confused. As I got older I always remembered the simplicity of this Bible. Its the best one I've owned. Worth every penny =)

Awesome!

Thanks, just love this Bible for adults too, not just teens!
