Jane Willan has done an incredible awesome job in compiling and creating this book. Also the unique part of this book is the compilations of the • Cheese baguettes & Baguette with wild rice and garlic •. Very informative, healthy, and easy to prepare. I love homemade bread! It's tasty, great, and its fragrance fills the house with comfort. With pleasure I try new recipes. I remember how I failed to bake delicious bread at once. If this book had been with me a few years ago, my homemade bread would have turned out faster. Here there are very useful tips if you are just starting to bake. Even if you are not going to bake bread all the time, the book will be interesting and useful.

Just the same way the breads I ate are exquisite, these recipes are healthy too. It is quite time consuming to prepare but it is worth it knowing that I know what I am eating. The recipes are fine. I now developed a liking to this breads. Kudos to the well-put recipe book. I just hope there are more pictures on it so I can enjoy it better.
