Freedom For All: A Practical Application Of The Bible

Synopsis

"Neville's teachings add a dimension that I hadn't really contemplated in depth until now."- Dr. Wayne Dyer, bestselling author and teacher
Discover the Hidden Mystical Message of the Bible...The Bible was written using solar and phallic myths to reveal psychological truths. But we have mistaken the allegory for history - and therefore have often failed to see the true message. The stories of the Bible are all mystical revelations which reveal to the intuitive reader the secret of creation and the formula for manifesting our deepest desires. The purpose of this guide is to clearly reveal to you the mystical truth buried within the stories of the Old and New Testament, and show you the steps necessary to manifest what you desire in your life.

I'm a big fan of Neville and this is now one of my favorite books. I'll read this again for clarity.

Oh, my, what precise information. This book is definitely reference material that you want to keep.

amazing

This is the most interesting take on the bible I've ever read. Some of the metaphysical principles were new. I plan to read other books on the series.

I really like these series of books. They are very personal and each section has examples of how to apply what you have read. Very practical every day use.

This book really brought to light things that my spirit knew but I could not explain. Great book to read.

Still reading, but good so far especially if you know Neville Goddard's history

Very enlightening book that sheds new light on biblical interpretation. I have been reading his books for years, and they are wonderful and enlightening. I highly recommend.
