Jasper National Park In Alberta, Canada: A Travel Guide

Synopsis

The author of several other ebooks, Shane Lambert continues to offer tourists that are heading to western Canada his expertise on travel. An Edmontonian who has lived in Jasper for over a year of his life, this is the first ebook publication of Lambert's that focuses only on Jasper and Jasper National Park. Covering transportation, accommodation, and hiking, Lambert has constructed an affordable 10,000 word guide. Succeeding where other travel writers fail, Lambert doesn't market Jasper but rather explains what is worth visiting and what is over-hyped. Drawing on personal experience, professional experience, and general opinions that he's encountered while working in the national park, Lambert concludes this guide with a feasible, efficient, and satisfying itinerary. Priced to sell, tourists that read this guide are sure to find amazing value.
