The Pastor's Daughter (The Rose Of Ebony Book 1)

Synopsis

Ebony had a secret. An ill-advised relationship with a married man in the church sent Ebony down a path of regret, which led to an unplanned pregnancy. When the pressure of being the pastor's daughter and carrying a married man's child weighs upon her, emotions flare. Shortly afterwards, she threatens to publicize the entire affair, deciding to bear the consequences of the matter. After an untimely event, and unprecedented conviction, Ebony is forced to confess as she battles with thoughts of betrayal to God, the church, and herself.

Customer Reviews

The Pastor's Daughter is a testimony of what goes on in our churches today. Often times, we try to hide behind the suit and ties, the big hats and scarves, the music and so on. There's so much that goes on in church but we're too ashamed to call it out. Ebony was a great example of how she allowed her fleshy desires take her focus off of God. We all have sinned so there's no room for judgment against anyone. I enjoyed reading this book and hearing Ebony's testimony. This was an

eye opener and I highly recommend everyone to read this, especially the saints.

Great Read! This read deals with what actually goes on in the church setting. But we must remain "Holy" people of God to draw others to Him. Great Job T.K. Ware and Ebony for sharing your story!

This book was awesome! I finished reading it in about an hour because I was very hooked to the storyline. The prevalent themes of confession, forgiveness, and God's unconditional love towards us spoke volumes to me. Looking forward to the next part of Ebony's story.

Great Book! This book was an awesome read! I'm sure that there are many other young ladies in the church who can relate to Ebony's story; who need to know that God's grace is sufficient for thee and He can bring you out all right.

Was this a novel or biography? The events that took place in this story happen so often in church that it is sad. As Ebony Rose told her story I wanted to feel sympathy for her, but I will admit most of the time I was angry with her. And then she would say some of the most profound things through her personal confessions that let you know none of us are exempt from falling prey to sin. Through those confessions I got to see a broken person who was in need of the love of our sweet Savior. The way Ebony opened up her heart to let people who are involved in sin know that they need to flee from it, was beautiful. She didn't hold back or try to sugarcoat her experience. What she went through millions of people are going through now and Ebony let's them know they are not alone and that they must repent and surrender to God to be made whole. The Pastor's Daughter lets you know you can't be holy if you are not whole.

Mr. T.K. Ware did an awesome job of creating a wonderful story by shortcomings and renewal. There were so many sermon bullets that minister to me personally. God loves us daily regardless of our sins. God loves the person but He hate the sin. The blood of Jesus will prepare us as believers of Christ to have the right standing with God. If we decide to repent our sins by seeking Him from our sincere heart. After that God will hear our petitions and forgive us. That's a kinda God he is. In our Christian walk that we all have fallen short of the glory of God. So none of us have the right to judge others or clean someone's else house when our is dirty. Also there is not a perfect Church or Perfect Christians. The Church is a hospital for sinners. We go to church to receive our spiritual surgery that is in The Word of God preached and teaches by the Man/Woman of God. We suppose

to love one another and not tear each other down to demonstrate the love of Christ through us. We should let our light shine so others can see the Christ in us.

I received this book from the author in exchange for an honest review. This in no way influenced my review. The Pastor's Daughter is a novella (about 50 pages) about a pastor's daughter who had a relationship with a married man and became pregnant. I like this book because it tackles an issue that is not dealt with much in the church: fornication. Although many churches rightly advise against sex outside of marriage, they do not talk much about what should happen if someone is found guilty of such a sin. The writing style of the novella did not grasp me as much as I wanted it to, but that can be a difficult task in such a small novella. Ware shows incredible promise of becoming a wonderful inspirational writer.

I'm a big fan of Christian books and might I say this is a great book and definitely a testimony!
