Dr. Howard Rosenthal is the Program Coordinator of Human Services at St. Louis Community College at Florissant Valley. He is author of Encyclopedia of Counseling and Favorite Counseling and Therapy Techniques.

very helpful to study for the NCE with and also good to have as a reference for uncertain words when they happen to slip your mind. small and lightweight too.

I bought this to study for my NCE and didn't use it at all. I imagine it will be helpful on the shelf of my office when I am a licensed counselor.

Great resource for any Mental health professional. Highly recommended.

Dr. Rosenthal is the "Guru" of test taking and this book is also helpful in my courses as a companion aid! Love it very easy to read understand

Excellent resource for studying for the NCE exam.

Very Helpful. Important vocabulary to have in human services.

Good condition.

This wasn't helpful as far as the exam went, but is a good book for acronyms.
