This was a very good book. Good start. Action was on point. Punisher takes on a dangerous drug cartel in LA. He is also being targeted by the Howling Commandoes. The Cartel is being helped by Aim and have one of his own enemies is also the muscle and hired help. Punisher is very smart and is not afraid to die. A good book to have if you are a Punisher fan

I enjoy this version of The Punisher. It's not the usual Punisher which has focused on mayhem and

dark humor. This is a more calculated "black ops." Punisher who more closely resembles a Navy S.E.A.L than a mercenary. A modern re imagining of a Marvel icon, with surprises to keep more classic comic book entertainment. Nice work!

Great comic, love the story and the punisher in general. arrived in perfect condition. Thank you!

One of my favorite book

Got it yesterday, 3 days early. Great condition. Had an insert that works perfectly as a bookmark. Little bonus. Book is well written and the artwork is great.

Everything I hoped for and more, really love this portrayal of Frank, brings a more realistic touch from the muscled super hero image, sets the stage around cartel violence, and a few other surprise villains

Great. Different but great. If you enjoy punisher comics give it a shot. New Frank but I dig it.

No quite as dark as previous takes on the Punisher, but very enjoyable read. Still my favorite.
