Distillery Cats: Profiles In Courage Of The World's Most Spirited Mousers

Synopsis

Distillery Cats contains the whimsical tales of working cats in distilleries around the world, with charming illustrations of the beloved mousers. Distillery Cats cheekily tells the tale of the historical role of these spirited cats and their evolution from organic pest control to current brand ambassadors. James Beard Award-winning author (and noted cat enthusiast) Brad Thomas Parsons profiles 30 of the world's most adorable and lovable distillery cats, featuring "interviews," a hand-drawn portrait of each cat, plus trading card-style stat sheets with figures like "super-power" and "mice killed." Featuring 15 cocktail recipes to enjoy while you page through, Distillery Cats is a quirky but essential addition to any cat or spirits lover's bookshelf.

“Brad’s reporting on distillery cats actually moved me to take a tour of Scottish distilleries, microphone in hand, to meet some of the mousers in person. (And sample some of the product.)” It was a hardship assignment, and I couldn’t keep at it for long. I am relieved to know that Brad has remained committed to the mission. • Ari Shapiro, host of NPR’s All Things Considered “Cats + Booze! Brad Thomas Parsons has channeled his inner cat lady to discover the ultimate formula for happiness. • Kerry Diamond, editorial director of Cherry Bombe “Cats! Cool illustrations! Great stories! Cocktail recipes! What’s not to love about this book? Did I mention cats? • Andy Ricker, chef/owner of Pok Pok “From shipyards to book-stores, there’s a storied tradition of employing cats in the workforce. In his new release, Brad Parsons sheds light on the distillery cats, charged with the safe-keeping of expensive grain at craft distilleries and breweries across the country. Nowadays, they’re more than mere workers--the felines have evolved into social media darlings, at times amassing a larger following than the distillery.” • The Local Palate
