Founded in 1947, Hal Leonard LLC has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Includes a large number of songs in varying styles for any type of musical theater audition. The cuts are chosen well, and it is incredibly helpful that the piano parts reflect the cuts.

Excellent and helpful book. Had to return it, though, and only due to my description of the product. It would've been very helpful had I a need for it

Purchased for my daughter. She's played out of it and the other volumes already many times. She's in Master program at ASU and finds them very helpful.

Great addition to my voice studio library. I hope it will be helpful to my college students next year when spring auditions come around.

We voice teachers have needed this for a while. Thanks Hal Leonard!

Daughter (14) loved it and uses it weekly.

Very good selection of songs to choose from.

Great Book for Teaching Voice!
