## Customer Reviews

A leading composer of the late Romantic and early modern eras, Richard Strauss (1864–1949) is known for his operas (Der Rosenkavalier and Salome), Lieder, tone poems, and orchestral works.

This has been one of my favorite pieces of music to listen to, and, on occasion to play. I take great joy now in listening to the music while following the score. Delivery was within 5 days of purchase and was, as the headline states, exactly what I wanted.

I knew I was ordering a used product...and it even has notes and an autograph on it! I only give it 4 stars because it was more tattered than I had expected...great product though!

It was good to find this old friend from my childhood. Needed to make an arrangement of this orchestral score for piano.

I don't know if Marion Saylor (author of the above review) has even purchased this SCORE, as in musical score for Richard Strauss' Till Eulenspiegel's Merry Pranks, but I must inform the world that this is no stupid book, but rather the musical record of one of Strauss' greatest tone poems.

Mr.(MS??) Saylor, you are sadly mistaken.

This is by far the worst book I have read and don't recommend to anyone to read this book. If you do your stupid. Please if you are going to get a funny book get something that is not so vulgar and immature, plus not even my teenage boy thought anything in here was funny
