Jesus Christ Our Lord

Synopsis

The apostle John said of the life and work of Jesus, "Even the world itself could not contain the books that should be written" (John 21:25). Acknowledging the size of the task, as well as its importance, Dr. John F. Walvoord has written this systematic presentation of the person and work of Christ from eternity past to eternity future. Beginning with an analysis of modern trends in the study of Christology, Dr. Walvoord shows that "contemporary Christology has in many respects confused rather than clarified the extended revelation of the Word of God." The Word of God forms the solid basis for Dr. Walvoord's entire study. Analyzing the Old Testament, he shows Christ in its history, typology, and prophecy. Then, in the New Testament, he examines the life and work of the incarnate Christ. The doctrines of atonement, redemption, propitiation, and reconciliation are thoroughly and clearly discussed. The book concludes with an examination of the present and future work of Christ, thus giving the reader a comprehensive study of Christology.

JOHN F. WALVOORD (A.B., D.D., Wheaton College; A.M., Texas Christian University; Th.B., Th.M., Th.D., Dallas Theological Seminary), former president of Dallas Theological Seminary and editor of *Bibliotheca Sacra*, America's oldest theological quarterly, was recognized as one of the

leading evangelical theologians in America and an authority on systematic theology and eschatology. His academic background and extensive travel in the Middle East greatly enriched his theological and eschatological studies. He authored numerous books on theology and biblical prophecy, including *The Revelation of Jesus Christ*, *Jesus Christ Our Lord*, and *Daniel: The Key to Prophetic Revelation*.

I have read many books about our Lord and John F. Walvoord's "*Jesus Christ our Lord*" is one of the best. It is an outstanding read for one familiar with *The Word*. I really enjoyed that the book explains in detail the proof of Christ's Divinity. It also has helped me better to understand and speak to the nature of The Trinity. I learned much more than stated above from Walvoord's book. If I could only have 10 books in my theological library, this would be one of them.

This book was exactly what I was looking to find. The author walks you through the Bible as he narrates the life of Jesus Christ. The Bible is a book rich in connecting details. The author connects details. It is a good book on Bible theology. The book was written for a study in seminar classes. I am enjoying reading *Jesus Christ Our Lord*.

THIS A GOOD READ. JOHN COVERS THE PERSON OF JESUS WELL, ESPECIALLY THE INCARNATION SECTION WHICH IN MY OPINION HE PRESSES HARD TO GRASP AND EXPLAIN HOW THE TWO CHARACTERS IN THE GODMAN COULD MAKE ONE DECISION WITH HAVING A CONFERENCE CALL. YOU WILL RE-READ THIS SECTION MORE THAN ONCE.

Very well written and thought through Christology. Highly recommend to anyone wanting a solid, accurate fundamental, conservative, dispensational presentation of the doctrine of Christ.

as expected

Dr. Walvoord presents our Lord's roles as Prophet, King, Priest. I had bought this book in the past but had lost the book. I am happy to have bought it again. as it helps understand the person of Christ in the Bible

You will not find a more thorough study of the doctrine of Christology. A very serious, theological

presentation. The reading will be difficult unless you're a serious student of the Word. Much focus is given to the doctrine of the hypostatic union: two natures, divine and human, in one person--Jesus Christ.
