Customer Reviews

Well, got this today, not bad. I wasn't paying attention and thought there was a CD included, there isn't. The book is 6 3/4 x 10 1/2. Lots of chord patterns and strum suggestions. The songs include; Bali Ha'i The Ballad of Gilligan's Isle Beyond The Sea Brazil Brown Eyed Girl Day-O (The Banana Boat Song) Don't Worry Be Happy Enjoy Yourself (It's Later Than You Think) The Girl From Ipanema Hanalei Moon I Can See Clearly Now I'm Carrying A Tiki Torch For You In A Little Hula Heaven Jamaica Farewell Keep Your Eyes On The Hands Limbo Rock The Magic Islands Margaritaville Marianne (All Day, All Night, Marianne) The Moon of Manakoorua Now Is The Hour (Maori Farewell Song) On and On (Down in Jamaica (Stephen Bishop)) On A Slow Boat To China One Note Samba (Samba Du Uma Nota So) Poinciana (Song Of The Tree) Samba Ba Song of the Islands Sway (Quien Sera) Three Little Birds (Bob Marley) Volcano (Jimmy Buffett) Yellow Bird Would like to have had a CD to hear the songs on the Uke, but I'm sure after the RIAA got their cut, the book would cost 100s of dollars. :|

Now I can sit in my backyard and play Margaritaville on my Ukulele. What more is there to life?

Not really a beginner book, but if you can play somewhat decently the songs are great! Nice chord chart included. Great arrangement of Margaritaville! Lots of fun!

Lots of good old songs for the summer. Loads of fun to play. Some songs are easy enough for a rank beginner. Others may take a bit of practice, but are do-able. The only thing that would make this better is a CD to play along with. This is a must have book in any uke players collection.

The songs are probably good ones but I haven't been able to relate to the texts as well as those of the other Jumpin' Jim books I've bought.

What can I say, Jumping Jim's books are fun.

Just as promised!

Excellent. Looks new, can't tell it has been used at all.. Arrived on time. Good Island songs. Easy chord diagrams. Good ukulele arrangements. No problems.
