The Ultimate Montana Atlas And Travel Encyclopedia, Third Edition

Synopsis

Even the most famous explorers relied on a knowledgeable guide. And nowhere will you find a more knowledgeable guide than The Ultimate Montana Atlas and Travel Encyclopedia. It would require almost a dozen of the top guidebooks on Montana to find the information contained in this single volume—and you still wouldn't have everything that is in this book! 114 maps; 52 maps of towns and cities; Over 2,000 Restaurants; Over 700 Motels; More than 350 public campgrounds; More than 250 private campgrounds; 96 Forest Service cabins; Over 200 guest ranches and resorts; Over 200 bed and breakfasts; Over 250 vacation homes and cabins; Over 450 outfitters and guides; 130 airports; More than 225 fishing sites; Over 160 Lewis & Clark points of interest; 71 public golf courses; Over 300 museums and historical sites; The text of over 300 historical markers; More than 25 hot springs; Over 300 hikes; Over 100 Cross-Country Ski Trails; Over 65 scenic drives and sidetrips; More than 50 ghost towns; 31 downhill and cross-country ski areas; Over 650 gas stops; More than 400 attractions; More than 1,000 photographs; Weather information for over 40 locations; Information on over 300 cities and towns; 1,000s of things to do in Montana; 1,000s of addresses and phone numbers—and more!

Average Customer Review: 3.7 out of 5 stars 34 customer reviews

Best Sellers Rank: #3,213,018 in Books (See Top 100 in Books) #70 in [Books > Travel > United States > Montana](#) #3922 in [Books > Travel > United States > West > Mountain](#) #71835 in [Books > History > Americas > United States > State & Local](#)

Customer Reviews

We live in Montana and use this book a lot in spite of the fact that much of the information is outdated. Many of the shops, stores, and restaurants listed are either out of business or have

different operating hours. The basic information, however, is still good--recommendations about what to see, roads to take, etc. I do recommend this guide, however. Just call ahead if you plan to shop or eat somewhere, especially in the smaller towns, to be sure your destination is still in existence.

Great

I was looking for a book to help with an upcoming trip to Glacier National Park area, but this one didn't fit the bill. While I wanted suggestions for things to do, day trip recommendations, trail information, etc., this book is more like a "yellow pages" of Montana. Want to know about motels? It's here. Want to plan activities? Probably not the right book. It's all black and white, very large (too large to pack), maps are scarce. I'm going to look for a different option.

Just what I wanted, Lots of information

lots of important info for me. Great packaging and fast ship. Great price.

This is a great book for someone like me --- I have never been to Montana. I'm leaving the end of August 08 -- and this book has been so informative and helpful. It has given me so many tips and recommendations. If you've made numerous trips to Montana, it may be repetitive. But, again if you're planning a trip there for the first time, then it's a MUST read!

great for trip planning

Very different from product description! poor quality black and white photos with real estate agents being featured as part of attractions in local areas. The book should be free. It is mostly poorly done advertising. Unusable for announced purpose -- guide to Montana. Jumbled, unorganized, poorly written, and evenly more poorly proofread. I am returning the book even though I hate to pay the return shipping for such a falsely represented product.
