Customer Reviews

Very helpful !

Very helpful, and very easy to use! !

I don't have the Kindle Fire--so I couldn't try the 8-8thing.

Good resource for writers.

Great help for my scrabble group! They like learning!

I can't use it when playing but it's great to have for challenges. I play solo sometimes just to see what words can be played.

Disappointed with this.....clunky to use, doesn't tell you what each word means...not user friendly
