# Be Skillful (Proverbs): God's Guidebook To Wise Living (The BE Series Commentary)

## **Synopsis**

Our world yearns for how-to guides and the secret to a fulfilled life. However, no truth is man-made. The wisdom that God granted to King Solomon is the same wisdom that would benefit us today— if only we would seek it. The book of Proverbs offers principles to develop godly character daily. From the dangers of speaking without listening to the satisfaction inherent in fearing the Lord, author Warren Wiersbe will unpack the Scriptures in ways that will help you apply these spiritual truths. Having pastored three churches, Wiersbe is a man who has dedicated his life to a deep understanding of the Word. Allow the insight he's gained over the years to penetrate your heart. Soon, wisdom will be your companion, and folly your sworn enemy.

in the Book of Proverbs. Warnings, admonishments, solutions to life's situations are shared in this short book.

Excellent book to study as a group; particularly men. A faith-based study program for people struggling to find their way in life.

This book is filled with easy to understand Skillful living. How did a man like Solomon who had such great wisdom end up being so foolish? A commentary like this is filled with just good basic instruction I would highly recommend this book for the person who wanted to learn the basic principles of living life well.

An excellent tool for small group study or personal quiet time. The Wiersbe "Be series" is top shelf. I used the Nehemiah study book last year...simply exceptional!
