Kids' Travel Guide To The Armor Of God

Synopsis

The world is a scary place, but God is greater than it all! This edition of the Kids' Travel Guide series leads your Sunday school or midweek program on a 13-week Scripture-based exploration of the armor of God. Lead them to have a faith so bold they'll be able to stand firm in the midst of terrifying or unclear situations. Kids (levels K-5th grade) will explore how to be strong in the decisions they make, and in relationships with others. Kids' Travel Guide to the Armor of God is perfect for helping children learn about spiritual issues in a non-threatening and empowering way. In each of these 13 lessons, you will take your kids on a travel adventure with: In-Focus Verse around which the adventure is focused -- "And with your feet fitted with the readiness that comes from the gospel of peace" (Ephesians 6:15) begins Journey 7. Departure Prayer designed for children to add their own words of prayer. First-Stop Discoveries: Narrated enactment or group activity exploring the lesson's Bible Story. Story Excursions: Through Bible stories, bring the Armor of God to life in fun, imaginative and dramatic ways. Adventures in Growing: Activities show kids how to apply what they've learned to their daily lives! Souvenirs: Kids create pages that go into a notebook (their very own travel journal!) to remind them of the lesson's Bible point. You will also get: Tour Guide Tips: Ways to enhance or adapt the lesson. Items to Pack: Supplies and props for the journey. Scenic Routes to give you more creative options. Fun Facts: Jokes and interesting tidbits related to the lesson. Reproducible pages: Overhead master showing armor, props, and take-home illustrations of the Focus Verse.

This book is the cornerstone of my children's program this winter. The guide is very flexible so I can take the games, art activities, prayer items, and story ideas and use them in our rotating series of center time room/bible classroom/active playroom and our teachers will have something that matches the Winter Memory Task each week so that in 3 months, they should not just have Eph 6:10-18 memorized, they should understand it and have enjoyed learning it. It has made my job WAY easier. --I'm even using their printable art pages (shrunk to 25%) in our Armor of God lap books! ONE regret I have is that none of it is on CD, so I have to scan and then print/email what I want to use. It would be awesome if it were digitized.

I really like this guide, but some of the activities get our kids so pumped up we can't get them settled back down. While this isn't a complete bad thing, it does disrupt the rest of the lesson. We have adjusted to just using the activities (and there are quite a few with each lesson), that we feel will keep our kid's attention, letting them have fun, but keeping them a bit calm. I recommend this. I will add that the verses used in the book are not KJV, so some of the handouts we did not copy to use as they were NIV (I believe).

All the travel guide books are excellent, I have only one more to buy to have the whole set. I started out with one book just to look over and loved it, so I ordered the some of the other topics. I am a director of children's ministry and these are great.

This book is full of awesome ideas! It really helped s with our VBS theme. It is full of great activities that really bring the lesson to life for the kids.

Lots of fun ideas that reinforce the story and the concept of the armour of God.

As expected

This book offers a wide variety of activities and useful for a small or large group. I may purchase the one about Fruits of the Spirit.

We have use several of these books and we are very pleased with them. They are full of ideas, biblically sound and the students are encouraged to interact which makes learning more fun and they retain much more too!
