Definitive account of what happened that night at Chappaquidick.

Teddy at his best!

This is a no-holds barred book, the True account Of What Kennedy did.A Sad story of what happen to Mary Jo(R.I.P.) in 1969, How the Senator Got away with Murder(I disagree it was manslaughter, it was negligent Murder) And how he should have lost his job and NOT be lionized by The Left. this man was no Hero, nor should he have called himself Catholic, As for excuses of him becoming reformed and people making mistakes,Need not apply here, He should have done his time.But just like the kennedy clan who are a myth really(JFK left behind the Cubans)it's a disgusting reminder of how this Country lionizes Criminals. If this would have been a Republican we would have never heard the end of it. The book is backed by Eye-Witness Accounts, Facts and other Things the Left Ignored and Continue to Ignore in Order to Re-Write History(Stalin is a good example,Fidel,Che,Mao etc.) Why didn't he go for help? why did he wait? why ? why? As a 27 year

old I find it imperative that my Generation and the Next don't depend on Biased politically motivated Memoirs and sugar-coated Biographies. Read the Book see for yourself.

Excellent book about that topic.. It shows that Teddy wasn't taking Mary Jo to Midnight Mass. She became a hero. Thanks to her , He never became President.

Very pleased

Great detail regarding the "incident". Drags a bit in the middle with a lot of "legal-eeze" and what-ifs, but overall, great read and worth your time.

good

Learned a lot
