Customer Reviews

This a good recipe book, though some recipes are a little complicated for me.I did enjoy learning about new ingredients and procedures.Will need to do quite some cooking to really evaluate the book.

I was very happy that I picked up this book. Simple ingredients and uncomplicated instructions. Pictures for each dish further enhance this book. A bargain . The tapas chapter is beautiful and simply done. These recipes won't take up all of your time and leave you too tired to eat. A score!

Great paella recipes!

We bought this book on a trip to Spain, then bought it as Christmas presents for all the chefs in our lives. We've made about 12 recipes from it, and everything is fabulous and reasonably simple to make. Also, lots of the stand-out dishes are so simple and healthy. Also, a photograph for every recipe. Love that.

Nice Spanish cookbook to carry on my ipad. Great photos. Good recipes. The price was exceptional. We love to have tapas night about once a month.

Good recipes easy to understand and prepare.
