Hawk's Property: Insurgents Motorcycle Club (Insurgents MC Romance Book 1)

Synopsis

From the first time Hawk saw her, he knew he wanted to do dirty things to her in his bed. Hawk, the muscled, tatted, badass Vice President of the Insurgents Motorcycle Club, sees women as bed warmers, nothing more. He never stays with the same woman, and although there are plenty of women who want to be his old lady, he wants none of that. He doesn't date. He doesn't let chicks ride on the back of his bike. He doesn't fall in love. And that suits him just fine until he meets her whose eyes light a fire in him. Problem is she's not so easy to get into his bed. Hawk wants her. And when Hawk wants something he takes it. Cara Minelli doesn't want to go to the biker bar, but her friend talks her into it. Swearing off men since she caught her fiancé cheating on her right before her wedding, she has buried herself in her career not wanting a man in her life. Until she sees him. He is sexy, rough, crude, and oh so very wrong for her. So why can't she stop thinking of all the nasty things he'll do to her if she relents and lets him in her bed? Then a vicious killer who has been strangling women in the area focuses on Cara. Police think bikers are involved. Can Cara set aside her trust issues and let Hawk into her life? Hawk sees it as his job to protect what is his...and Cara is very much his even if she doesn't know it yet. Cara keeps her heart guarded, but when danger comes calling, their lives collide. Hawk will stop at nothing to keep Cara safe and make her his. "Property of Hawk" is the first book in the Insurgents MC series. The Insurgents MC series are standalone romance novels. Hawk's Property is Book One in the series. This book contains violence, strong language, and steamy sexual scenes. HEA. No cliffhangers. The book is intended for readers over the age of 18.

Customer Reviews

This is a fairly new author for me. And this first book in the series was amazing. It was a little different from the usual MC books I read, and when I say different, I mean that in a good way. Cara gets drug to the rough biker bar by a friend. As soon as Hawk walks in she is immediately drawn to him. He helps get her out of a situation, and things heat up, but Cara freezes and things cool off quick. Hawk is determined to get to know Cara, and what Hawk wants, he gets. As VP of the Insurgents MC, he's a force to be reckoned with. There is a killer loose, doing very bad things to young pretty girls in town, no clues as to who is doing it. The MC needs help as law enforcement has their sites on taking down the club, and it just happens, they show up in Cara's law office. When face to face again, Hawk knows and feels the attraction is there and it's strong between the two of them. Cara fights it, and Hawk is persistent. She thinks she needs someone different in her life someone safe and definitely not a 1% outlaw biker. When Cara's life seems to be in danger, Hawk steps up and prepares to keep her safe at all cost. The passion in this book was amazing. And the mystery, and the intense storyline kept me glued to my kindle. I had all kinds of emotions while reading this book. How it ended, I did not see that coming. And I love a book that keeps me guessing the whole way, and I love those moments when I realize it didn't end how I thought it would. Will be reading this series til the end and following this author!!!

I am the worst reader/fan. I have read all 8 of the books and didn't leave one review! In my defense I did read all 8 books in 11 days with 2 ARC reads for other authors in there also. This is the first book I had read from Chiah. I must say from book one I have been impressed. I am not going to write a book report for you. You have read the other reviews and the book blurb. All you really need to know is this book has not only the hot steamy sex, but the drama and excitement of what is going to happen next. I love that Cara is not your "typical" biker babe. Hawk a sworn bachelor for life can't

get the sexy lawyer out of his mind or heart.

I ABSOLUTELY LOVED THIS BOOK. At times it gets pretty dark but the suspense will keep you on the edge of your seat. It definitely kept me guessing until the end. Then when it all came out in the end I cried my eyes out. Hawk is a sexy as sin big bad badass alpha biker who sets his sights on Cars. She's a petite beautiful smart sassy mouthed spitfire of an attorney and no matter how hard she tries to keep a lid on her attraction to Hawk, she finds it impossible. Their chemistry is off the charts smoking HOT! Hawk has never been so attracted to a woman before and he is in for the fight of his life. I highly recommend this book to everyone! Oh and did I say the sex is wet your panties set your crotch on fire HOT! Lol.~f~ ~ ~ ~ ~

Hawk is definitely a foul-mouth, brooding, badass biker with a crooked stick up his a**. He is the VP of the Insurgent MC with a reputation as loving his bike, brothers and women. Cara is a shy, outstanding lawyer, who recently opened up her own practice. One night on the town with her besties (Sherri) leads to meeting Hawk after he intervened in an uncomfortable situation with another MC biker. The attraction between the two was intense and steamy leaving Cara to forget her surrounding. I did enjoy the characters, also the side characters really added something to the story line. I immediately knew who the villain was and became excited to see his doomed. It's a lot I would like to say about this interesting book but I don't want to give any plot points away. IMO, I believe the Night Rebel MC series is more amusing.

>Book Review ~f~ ~ ~ ~ ~ Hawk~f~ ~ ~ ~ ~cs Property>I am an independent reviewer. This is the first book in the Insurgents MC series and ends in an HEA.>As far as MC books go, this one is best described as gritty. Not only are all the men alpha, but their actions towards women in general is not sugar coated. The descriptions of the MC parties are realistic and raw. Hawk is a typical VP of the Insurgents and runs into straight-laced Cara. She turns out to be his attorney. I enjoyed the difficulty Hawk showed in allowing a woman to call the shots in his behalf.>I didn't~f~ ~ ~ ~ ~ ~,~t feel a lot of sexual tension due to the immense amount of sexually frank dialogue and descriptions, but I did like when Cara and Hawk settled enough to start to get to know one another. The serial killer aspect of the book was both suspenseful and disgusting. I know the killer~f~ ~ ~ ~ ~ ~,~s identity was supposed to be a surprise at the end, but I had no problem figuring out who was the killer. I didn't~f~ ~ ~ ~ ~ ~,~t know the why to his actions, nor were they ever really explained.>This MC book is more gritty and less romantic, but still a good, enjoyable

read. This story is appropriate for an adult audience. I am giving this book 4 stars.

I read this story a couple of months ago and was properly when I look at the book title I said to myself it better not be those type of biker story that a woman is like a property to them. When I open the book to begin to read it I was blowing away by how Chiah Wilder wrote this story and how she explain the life of a biker has dark secrets like family issues or how they ended up in a motorcycle club. Hawks is those type of biker's that won't give up on something they want in life and when he meets Cara in a club he definitely wants her. Cara also has her own doubts about falling in love with Hawks. Hawks and Cara story brought all kinds of emotions as I continue reading their story but at the end, it all work out for them, I will not spoil the story for you I recommend you to read it and found out what goes through their lives to find happiness and love
