A Young Woman's Walk With God: Growing More Like Jesus

Synopsis

Elizabeth George, author of *A Young Woman After God's Own Heart* (more than 150,000 copies sold), offers another life-changing teen book—*A Young Woman's Walk with God*. Christian teens long to please God, but peer pressure, school activities, and physical changes make godly qualities such as patience, kindness, and self-control hard to develop. The good news is that by focusing on God, girls can live the fruit of the Spirit. Then they'll be able to put on a positive attitude daily, have peace regardless of circumstances, experience joy even during difficulties. Faithfulness and gentleness come as teens walk with Jesus and express His love to those around them.

Elizabeth George, whose books have sold more than 9 million copies, is the author of *A Woman After God's Own Heart* (more than 1 million copies sold) and *A Young Woman After God's Own Heart*. She is also a popular speaker at Christian women's events. Elizabeth and her husband, Jim, are parents and grandparents, and have been active in ministry for more than 30 years.

I ordered this for my 13 year old granddaughter for Christmas, but having looked through it, I decided to give it to my 16 year old granddaughter instead. It seems like it is more appropriate for the 16 year old because of the more mature writing. I liked what I read in the book. It seems to be

more hip and inspiring than some of the books I've seen written for young women of this age. I'm hoping my granddaughter will read it and take it to heart because it appears to have some very wholesome Christian advice for her.

I highly recommend this book. This is the 2nd devotion book I have bought by Elizabeth George. My teen girls and I love her devo's.

Got this as a gift for my 12 year old granddaughter. Previously, I had given her a book written by Elizabeth George, and she liked it so much, she requested more writings by this author.

Bought these for each of my granddaughters who are either teenagers or will be soon. They have enjoyed them.

I bought this book for my little sister, as she was starting to take an interest in God's role in her life, and this book changed her life. it's such a great tool for any young woman seeking the heart of the Lord.

Bought this for my daughter (14 years old). She said this is the best book she's ever read. Not boring at all. Very helpful.

My 12 year old is reading this as a daily/weekly devotional. She's getting a lot out of it.

I love this book! I am 16 years old and I just started and it has already challenged me in so many different ways! So worth it! Get the book and apply it to your life!
