## Synopsis

HALF-PRICE SALE - WAS \$9.99 - LIMITED TIME OFFER  
Aspen was founded as a mining camp in the late 1880s during the Colorado silver boom. We'll explore some of the buildings and relics of this bygone era, including the ghost town of Ashcroft, only 12 miles away. We'll take a ski tour of all four mountains, visit some ski shrines, attend the best après-ski parties, and cross-country ski to a winter hut. Aspen was named for the abundance of aspen trees in the area, but today the name is synonymous with colorful characters, movie stars, and the extremely wealthy. Oh, and let's not forget the stunning mountain beauty.  
AUTHOR - Brad Olsen is a Contributing Editor for World Explorer magazine and has written several guide books. His seventh, "Sacred Places Europe: 108 Destinations," was released in March, 2007. Brad's commentaries have appeared on National Public Radio, CNN and the Travel Channel. He enjoys extended global travel (particularly to exotic locations), and public speaking on the subject of sacred places.
