Buenos Aires Made Easy! (Kindle Edition)

Synopsis

Your friends have told you that Buenos Aires is a fantastic place to visit, and you've finally made the decision to go. This guide is for you if you have a lot of questions about your upcoming visit to BA but don't have the time or patience to read one of the typical guidebooks. It won't give you all the answers, but certainly the most practical ones. Some of the questions answered in this guide include: When should I travel to BA? Should I try a short-term rental apartment or go to a hotel? Should I stay in the Recoleta neighborhood? Or should I try Palermo, San Telmo, or even Puerto Madero? How do I get from the Airport to my destination? Where should I change my money into pesos? Should I focus all my time in Buenos Aires? Or also plan some day trips, overnight trips, or other excursions? Is it worth visiting Colonia, Uruguay? Or Montevideo? What is an Estancia? Is it worth going to one? Should I see a Tango Show? What is a Milonga? What about Polo matches or Soccer matches? Where will I go Shopping? Where should I go for a famous Argentinean Steak? Will my hair dryer or electric razor work in BA? Is the electricity the same as in USA? Will I have Internet access? Is there Wi-Fi? Will my iPod Touch work? Will I be able to call home? Based on extensive first hand experience in guiding visitors on where to stay in BA, and what to do while there, thru our www.DiscoverBA.com Buenos Aires Rental Apartment and Activities business in Buenos Aires, since 2006, this book will try to give you a concise answer to many of your basic questions about your visit to BA. My objective in writing this guide is to build on the experience of many previous travelers to help make Buenos Aires an easy and fun destination for you to enjoy. Table of Contents Chapter 1: GETTING STARTED: Chapter 2: Getting to Buenos Aires: Chapter 3: The Neighborhoods Chapter 4: Should I try an apartment or go to a hotel? Chapter 5: Day Trips & Side Trips: Chapter 6: Tango Shows & Milongas Chapter 7: Other Activities In BA: Chapter 8: Frequent Questions: Chapter 9: Useful Information: Appendix 1: Walking Tour for Recoleta and Palermo: Appendix 2: MUST SEE Destinations: Appendix 3. Basic Survival Spanish: Appendix 4. Short History of the city of Buenos Aires: Appendix 5. Some Restaurants in BA: Appendix 6. Gay Buenos Aires: Acknowledgements: I grew up in the U.S. as a 2nd generation immigrant from Argentina. My family returned to Argentina, after 22 years in the US, in the 80s, after the democracy was restored. After 5 years in BA, I returned to USA for an intended 2 years that turned into 14, and I finally came back to Argentina in 2004 with my wife and daughters. Shortly thereafter, our travel services business was born, which, in turn led to this guidebook.

Customer Reviews

As the host of the travel show Jet Set Life TV and the author of my own Buenos Aires guideÃ Â Buenos Aires, Argentina City Travel Guide 2012 (The Secret List)Ã Â I can honestly say that I know a thing or two about traveling to Buenos Aires. In this book, author Alfredo Candal delivers! This book covers everything from what tango show to see all the way up to what day trips to take, while you're in Buenos Aires. Everything is written in clear, concise and on point chapters. The way I like my guides!

What it doesn't say is what's missing. Hot clubs, good restaurants, maps. What a surprise to get here and discover American cash is gold. Wish we'd brought more!! Spent too much time trying to get money at ATMs. Book left out day to day information

My friends and I recently took a trip to Buenos Aires and found this guide extremely helpful. While we had purchased other lengthier guidebooks in the states we quickly realized when reading "Buenos Aires Made Easy" that the other books had not made essential facts as clear or prominent as they should have (like the fact that you have to pay a \$160 fee to enter the country from the US!)

Mr. Candal is a local who knows the city well and truly tells you what you need to know to have a great trip. If you're only grabbing one book before you go, make sure it's this one!

This quick and easy read gives you all the essentials you need to know about Buenos Aires. From what converters to pack prior to the trip and information you need to get through immigration (i.e. keep your dollars crisp!), this book covers it all. Great read for Day Trips and Restaurant suggestions!! used the access from my Kindle to read this book on-the-go while traveling from my iPhone and iPad as well! Talk about handy!

This book proved to be an easy read. It is written by a local and contains lots of facts and tips about "the safest city in Latin America" that no one will tell you. Enjoyable and light this book is a must before you come to Buenos Aires. It covers all: security, currency exchange, taxi, buses, neighborhoods, and things to do and watch out for.

Adequate summary of the most important information a tourist is looking for, would have appreciated a bit more detail and suggested itineraries--make it really easy! Not great, but not bad.

Clear, concise, and very informative introduction to Benos Aires.

This ebook along with Buenos Aires Unanchor Travel Guide really helped me prepare for my trip. Since I don't have a tablet, I would advise printing off some of the pages in each book to have in pocket while on the streets.
