"There's stuff in here that would have taken St. Patrick aback..." -- Terry Wogan

Christopher Winn – writes quiz questions for television as well as for Daily Mail and Daily Express. He is the author of I Never Knew That About England and I Never Knew That About Ireland.

Alright. So I gave this book five stars with the explanation that it's not for the casual reader looking for 'fun facts' on Scotland. I would suggest that readers start with another book and 'graduate' to this tomb. Good info on some of the obscure items in Scotland. Much of the information concerns, long ago battles and little known castles in out of the way places. Having said all of this, I really liked the book...Enjoy

Area by area interesting tidbits and stories behind so many of the things that we love about Scotland!!!! I would not tour the country without this book!

Pretty interesting. I learned a lot about my homeland.

Great info!!!

Gives little bits of information on different castles in Scotland... but not what I was expecting.
