Customer Reviews

Very nice bible. I was expecting it to be smaller than it was. It's a nice, standard size. It looks like it will hold up well. The cost was excellent.

Okay the reviews about the small print were so right. I was thinking it can't be that small but I'm actually concerned my daughter won't use this that long because of the eye strain which is too bad it's a nice little bible and a great pink color.

Good Bible but the words are very small the company that sells these bibles needs to more specific about the size of the words

I wish I had the opportunity to review the Bible before I purchased it then I would have known it was not for the 8-10 year olds that I purchased it for. The lettering was super fine and I was hoping for

some pictures.

Bought this for a friend who is new to Bible Study. The print is very small so I included a magnifyer but otherwise an excellent value.

Ordered this for a young girl that attends our church. She didn't own a bible of her own and I wanted her to have one. She loved it!!! Bought the navy one for her brother as well!!

Well it's awesome because it's the Word of God - but the print is suuuuper tiny!!!

very good product! words are small though but very ok
